\*These insurers require cover to be arranged through a broker.

It should be noted that while the insurers noted have signed a Pool Participation Agreement entitling them to provide professional indemnity insurance cover to the profession, the Society is not responsible for any contractual arrangement you may enter into with a qualified insurer.

The Law Society does not assess the solvency of any insurer.

**As this listing may be updated at any time, please contact the Society if you have any query relating to any insurer not noted on the above listing.**
