# SPRING GALA

— *and* —

LAW SOCIETY  
SKILLNET SYMPOSIUM

FRIDAY 24 MARCH 2017

InterContinental Hotel,  
Ballsbridge, Dublin 4

## PRESIDENT'S WELCOME MESSAGE

---

The Law Society Spring Gala 2017 and Law Society Skillnet Symposium takes place on Friday 24 March 2017 at the Intercontinental Hotel, Ballsbridge, Dublin. I would like to extend a very warm invitation to you and your firm to take part in this new event on the Law Society's calendar.

In designing the Spring Gala, we have reimagined what a Law Society event can be, one that is both enriching and entertaining. The day begins with the Law Society Skillnet Symposium, which will feature speakers from around the world who will address our theme, Miscarriages of Justice. From Making a Murder to Serial, this is a topic that is gaining a good deal of international focus right now.

Later that evening, the Law Society Spring Gala will take over the ballroom of the Intercontinental Hotel for a black-tie dinner where we will entertain clients and catch-up with colleagues. A high-profile, international, special guest speaker will mark a high point of the evening.

An important element of this event is that profits from the Spring Gala will be donated to the Solicitors Benevolent Association, which assists members or former members of the solicitors' profession in Ireland and their families who are in need.

We have taken on board our members' feedback in designing this event to make it an enjoyable and worthwhile experience. The package details, including sponsorship opportunities, are outlined in this booklet. I hope you and your firm will be in a position to attend and support this important event.

**STUART GILHOOLY**  
PRESIDENT OF THE  
LAW SOCIETY OF IRELAND
